Step 1:

• Click on "MindsetXR-v1.0.0.zip".

MindsetXR Download all					✓ = :::
Nam	e ↑	Owner	Last mo 🔻	File size	:
ŧ	MindsetXR-v1.0.0.zip	Owner hidden	Nov 26, 2024	241.6 MB	
	WindsetXK-VI.0.0.21p	O owner nidden	100 20, 2024	241.0 MD	

• Click the "Download Anyway" button to save the file to your computer.

- Extract the file and open the *"MindsetXR-v1.0.0"* folder; you should find *"MindsetXR-Android-Shipping_universal.apk"* in that folder. This is the file you need to install on your device.
- Download & Install SideQuest from https://sidequestvr.com/download (Advanced Installer Recommended).

Step 2:

- Connect your Meta Quest 2 headset to your computer using the provided cable from your package.
- Put on the VR headset for a moment and click on the *"Allow" button (Do not disconnect the cable).*

• Take off the VR headset and run SideQuest on your computer.

• Click the *"Install APK file from folder on computer"* button, then browse to select *"MindsetXR-Android-Shipping_universal.apk"*.
